

Welcome to Harnischfeger Park

The Friends of Harnischfeger Park hope that your visit here is enjoyable. Whether this is your first visit, or you have been here before, we hope that you are able to take advantage of everything the park has to offer.

The Friends of Harnischfeger Park have worked very hard, with fund raising events and fix-up/spruce-up the park volunteer work days to assist the County Parks staff in making your visit a great experience.

Our fund raising efforts through the annual Fallfest and Winterfest events have enabled the County to make improvements to the Barns, Clubhouse, Mini Golf Course and other facilities. We have more great things planned, but we need to keep running these events for them to happen. The events also serve to provide quality family outings, and show case the park as the gem of Dodge County.

Do you like what you see so far and have an hour or two of time to spare?

Have you been looking for that one thing where you can really make a difference, all the while knowing where 100% of your hard work is going to?

Do you want the satisfaction of knowing that you helped put joy in the hearts of a family and a smile on the face of a child?

Do you crave the feeling of accomplishment you get when you see friends and family enjoy the outdoors and the facilities of the park?

Well, look no further! **Join the Friends of Harnischfeger Park**, and help us make dreams come true! We welcome new members to the core Committee, as well as individuals who only have an hour or two to spare on the days of the events and work days and want to help.

No membership fee required – just a desire to help!

The Friends of Harnischfeger Park is a Committee of The Friends of Dodge County Parks Inc. (a 501c.3 non-profit organization). 100% of the funds that we raise go directly into Harnischfeger Park. OUR Committee establishes priorities on the projects to receive the funds.
